

GROUP A

GOAL: INDIVIDUAL PRODUCTIVITY

Each faculty member indicated a production goal:

- Dr A.: submit 2 articles for publication
- Dr B: prepare proposal for and subsequent presentation(s) for two conferences
- Dr. C: complete 2 book chapters
- Dr. D: submit 2 articles for publication
- Dr. E: prepare and submit 3 grant proposals

The group will meet 3 times in the fall semester and 3 times in the spring semester. At each meeting, faculty will check in on each others progress, offer feedback on obstacles or challenges, and share successes.

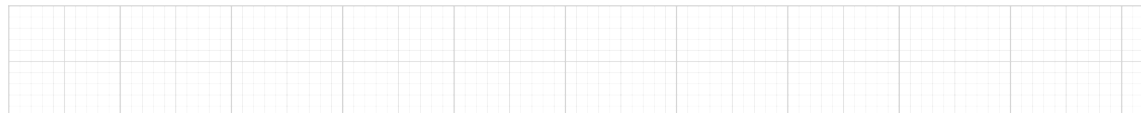

PARTICIPANTS

Dr. A: Department of Population Health Sciences (CVM)
Dr. B: Department of Chemistry (COS)
Dr. C: Department of History (CLAHS)
Dr. D: Department of Management (PCOB)
Dr. E: Department of Computer Science (COE)

ESTIMATED BUDGET

Conference registration for Dr. B*:	\$500
Travel for Dr. E. to granting agencies*:	\$500
External editing/indexing services*:	\$500
Food for 6 meetings*:	<u>\$500</u>
Total:	\$2,000

*All expenditures must be in accordance with Virginia Tech policies and procedures.

GROUP B

GOAL: COLLABORATIVE RESEARCH ON ARTIFICIAL INTELLIGENCE

Faculty will meet regularly to discuss their disciplinary interests related to a common research area, with one, or several of the following goals as a group:

- submitting grant proposals
- planning a speaker series or symposium
- convening a panel for a conference

The group will meet 4 times in the fall semester and 3 times in the spring semester. In the early meetings we will discuss our disciplinary interests and finalize our goal for the year. Subsequent meetings will involve work towards the designated goal.

PARTICIPANTS

Dr. A: Department of Philosophy (CLAHS)
Dr. B: Department of Computer Science (COE)
Dr. C: School of Neuroscience (COS)
Dr. D: Industrial Design (CAUS)
Dr. E: Department of Mechanical Engineering (COE)

ESTIMATED BUDGET

Symposium costs*: \$2,000

**symposium will likely cost more than this. Additional funding will be requested from individual departments and other campus sources*
