

Information Sessions for New International Faculty

All new **International Faculty** are invited to an information session with Global Strategic Services (“GSS”) office staff. At this session, you will learn:

- Rules to maintain your nonimmigrant (H-1B, J-1, TN) status
- When to renew your nonimmigrant status
- How to obtain a Virginia driver’s license
- Steps to obtain a visa in your passport (and if it is really necessary)
- Work authorization options for spouses
- Permanent residency (a/k/a “green card”) process and options for international faculty

The GSS office has been undergoing major restructuring and will be working to streamline both nonimmigrant and green card processing moving forward. Come meet with the new GSS Director and Team to have all of your immigration questions answered.

Sessions will be held Wednesday, September 6 from 9:00 to 10:30 AM and Thursday, September 7 from 1:00 to 2:30 PM at the Inn at Virginia Tech. Information will be the same at each session, so please attend the session that best fits your schedule.

Please RSVP by Friday, September 1 by email to Kim Rhodes rhodesk@vt.edu indicating your preferred date and time. General questions can be submitted to vtgss@vt.edu.
